Why do we give
To United Way?

- As a company, Holcim and its employees believe in supporting the communities in which we work and live.

This year's tournament will again prove to be an exciting time for all. Lots of door prizes will be given away and cash prizes will be awarded to the tournament winners.

At Holcim, we are proud supporters of United Way of Lowndes County. For the past 21 years, we have hosted an annual golf tournament as a fundraising effort for United Way.

Supporting the communities in which we work and live

- Proceeds from this special event will support numerous deserving agencies and the youth, families & older residents they serve.
