ENJOY THE EXPERIENCE

The purpose of the Community Volunteer Center (CVC) is to help you find the volunteer opportunity that is right for *you*. Once the CVC refers you to a volunteer opportunity, it is important that you maintain a consistent relationship with us to let us know how things are going for you—are you enjoying your volunteer experience, do you think this was a good match, would you like to move on to something else? Keep in mind the first place you volunteer may not be the best place for you to volunteer. Let us help you find the perfect match for you.

VOLUNTEER HOURS

The CVC is required to log volunteer hours of the volunteers we refer. By signing the volunteer application, you agree to submit your hours to us on a time schedule that is convenient for you—weekly, bi-monthly, or monthly. You may submit your volunteer hours in several ways— using your free 1800volunteer.org volunteer account, via email to the volunteer center, or using the volunteer worksheet the CVC can provide you. Please help us be a model volunteer center in the state of Mississippi by logging your hours!
